

WORKPLACE MENTAL HEALTH ALLY CERTIFICATE

Everyone Has a Role to Play in Mental Health.

Mental health and wellness has emerged as one of the critical issues of our time and has only been compounded by the COVID-19 pandemic, the visibility of equity and social justice issues, and the overall economic instability across the globe.

Attention to the mental health and wellness of employees is crucial to employee retention, job satisfaction, productivity, and overall success. HR professionals, people managers, and business leaders have a unique position to lead the effort in supporting employee mental health in the workplace and fostering culture that encourages open conversations around mental health.
