**Tuesday, April 13, 2021  
9:00 A.M. - 10:00 A.M.**

## **@ the PA CareerLink<sup>®</sup> Berks County via GoToMeeting**

The Pennsylvania New Hire Reporting Program is administered by the Center for Workforce Information & Analysis (CWIA) within the Pennsylvania Department of Labor & Industry on behalf of the Bureau of Child Support Enforcement (BCSE) within the Pennsylvania Department of Human Services. The purpose of the program is to aid in the collection of child support from non-custodial parents by matching new hire records received from employers to child support case files.

**Join Dennis Marsh of the Department of Labor and Industry to learn more about New Hire Reporting obligations as well as detailed information about how the program provides the following benefits:**

- Detecting fraud and recovering benefit overpayments in unemployment compensation and workers' compensation programs
- Increasing child support collections through cross-matching of new hire records against that of non-custodial parents who owe court-ordered child support
- Supporting efforts for non-custodial parent locating, paternity establishment, and employment verification efforts, via a research database of new hire information

**Spaces are limited and will be provided on a first come, first serve basis. E-mail Alia M. Simpson ASAP ([asimpson@bccl.org](mailto:asimpson@bccl.org)) to guarantee your spot at the event!**
